## Application: Summer School of Sustainability 2026

### Personal Information

Name	
Surname	
Gender	
Street address	
Zipcode and City	
E-Mail address	

### Studies and International Experience

Study program:		Semester:	
Have you spent a semester abroad during your studies at the HRW?			
Did you already participate in an international project at the HRW (COIL, Summer School,...)?	Do you have any other experience abroad?		

### Volunteer Work and Working Experience

Are you currently engaged in any voluntary work outside of your studies?	Do you work alongside your studies?

## Letter Of Motivation

The letter of motivation should highlight the purpose of your application to the study-program. The following questions could help you with this: How will the summer school add value to your studies, and why? How will participating contribute to your professional and personal development? To answer these questions, you should think about your strengths as well as professional and personal goals.
